## Thoughts on a new concept of politics

Modern politics is the same.  
Ideological stalemate.

The state is a result of technology  
State and tech are inseparable  
Current model of statehood will be challenged this century  
Governance and communication

AI. Vs. Crypto  
We live in post technical age  
Politics is an applied science of the future  
Trends  
Spectrum of forces and trends

Explaining the new spectrum.  
Forces.  
Centralisation  
Decentralisation  
Tradition  
Innovation
