- 5- make a low ticket offer
- 6- sell low ticket - message buyers often
- 7- sell something pricey which is leadership that helps them get result quick and easy
- 8- have a network of friends (if u really suck - pay them) who rt you, give you social proof, etc
- 9- use the engagement from this to show you actually know what you're talking about
- 10 - be prolific as fuck - quality does not matter in this game, volume does
- 11- steal from everyone - and teach your audience to steal shamelessly so you can't be called out for it
- 12 - when ppl call out the fact you get shit engagement and no one cares about you and you have no idea what you're talking about? Say "likes ain't cash" this tricks them, and it's something ehrich weiss said, so it must be true cause he is objectively the goat
