

## New Folder / What is twitter

Hook. Recorded later.

Big behemoth of tech.  
Big platform  
News site  
Shapes culture more than Facebook

I started 2014  
And have been in many parts of twitter.  
It's not one site.  
It's multiple rabbit holes  
It's never the same  
It's a game that changes

accounts are faces, personality  
You post.

Posting is culture.
